COMMUNITY CODE OF CONDUCT @ BISM

RISK-TAKER REFLECTIVE BALANCED PRINCIPLED CARING

OPEN-MINDED KNOWLEDGEABLE THINKER INQUIRER COMMUNICATOR

We treat everyone we meet with respect and dignity regardless of their sex, transgender identity or expression, ethnicity, religion or other belief, disability, sexual orientation and age. Protected grounds of discrimination. Any other kind of degrading treatment is also not tolerated and has no space in our community.

We value our own and others' time in school by arriving on time, meeting deadlines, keeping our noise levels down while transitioning and coming to lessons or sessions with all required material.

We take care of our shared environment by respecting school buildings, grounds, equipment, and resources, keeping them clean, organised, and in good condition.

We stay safe by following safety procedures and our schedules by making sure we are where we are expected and allowed to be, at all times.

We engage positively with each other throughout the school day by being present, respectful, and ready to learn. Mobile phones and smartwatches are handed in at the beginning of the school day and are returned at the end of the school day. Other electronic devices are used responsibly and only when appropriate or required for learning.

We show care for the health and wellbeing of our community by eating lunch and snacks in designated areas and ensuring that any additional snacks brought to school are free from nuts.
